

CUSTOM RULES

Effective August 1, 2016

Customisation

Hassell Arbitration's custom rules usually begin with our rules for claims up to \$50,000 or our rules for claims over \$50,000 and are customised from there.

We are happy to consider customisations requested by the parties. We sometimes recommend customisations to streamline hearings.

Sample Customisations

Type of Hearing

- Motion
- Application

Procedural

- Agreed statement of facts and/or agreed book of documents
- Hearing by conference call or videoconference
- Oral hearing only or no oral hearing
- Additional hearing time
- Condensed timeline for urgent/emergency situations

Outcome

- High-low or bracketed arbitration (see blog for definition)
- Baseball arbitration or night baseball arbitration (see blog for definition)

Enforcement-Related

- Parties can add a penalty clause whereby if payment of an arbitration award is not made within X days, \$Y is automatically added to the award.

Other

- Adjustment to any rules as agreed by the parties
